

## Supplemental Info for Spring 2022 Presbytery

### Parking

**Pay no attention to the sign restricting parking in our lot.**

Mission is a “city” church in a residential neighborhood. Our parking lot is small (only 17 spaces). Compounding the issue there is a school across the street. On a normal weekday Mission reserves parking in our lot for school personnel. For Friday, March 18<sup>th</sup>, the school has been informed that we will be using the entire lot. This means those 17 people will have to park on the streets around the church, (as will some of you).

The hotel where we reserved group rates is less than a mile (.9) from the church. If you are up to it and the weather is nice, you might want to walk. Barring that, however, we strongly encourage carpooling from the hotel to ease the parking situation.

### Meals

As usual Mission will be providing Lunch and Supper on Friday and (if necessary) a quick lunch on Saturday. We are planning to have gluten-free options at each meal.

### Power

While the power of our God is unsurpassable, mankind has yet to find a way to harness it to charge electronic devices. Mission’s facility was built in the 1940s and 50s, so it is not replete with electrical outlets. We will endeavor to provide extension cords in the sanctuary, but it will likely be insufficient, so plan to come with necessary devices fully charged. If you have a battery backed charger it might be wise to include it in your luggage.

### WIFI

Mission will provide WIFI. We have pretty good coverage around the building and a high-speed connection to the internet. There are multiple SSIDs (names) within the building, but they all use the same password (which will be provided on site).

### Zoom Details

For those providentially hindered from in-person participation, the meeting will be “Zoomed”. You will be able to participate (including voting) in all sessions of the meeting. Sadly, we have not figured out a way to Zoom the meals, so you are on your own there. The meeting will NOT be recorded.

Here are the details for the meetings

Both days (Friday all day and Sat. till noon)

<https://us02web.zoom.us/j/82823924404?pwd=Ty9rU1NwamRmL3ZXUHI0STVnVHR2UT09>

**Meeting ID:** 828 2392 4404

**Passcode:** 328887

**Phone:** +1 312 626 6799 US (Chicago)

### Notes:

You MUST have a Zoom account to join. Preferably your zoom account should be the email address at which you received this file. Mission reserves the right to eject from the meeting, those with Zoom ids we cannot recognize. (Although we will ask first).

If you have difficulty connecting to the Zoom meeting you may send a text message to me (763-245-0903) or Patrick Coppock (404-587-9919) for assistance.

Praying for safe travel and a productive and God honoring meeting,

Randy Kreisel – Mission OPC
