

Venture Missions 2017• July 10-17

Information Sheet

Goal: To execute a Bible Club for youth in order to teach them from the Bible and bring them to the Lord and to invite them to Vacation Bible School (VBS) in Menomonee OPC in Zoar and in Neopit, the larger village near Menomonee OPC.

Participants: About 20 highly motivated teenagers and young adults willing to pursue and teach young people about the Gospel of the Lord Jesus Christ. These volunteers would need to come prepared to do backyard VBS events including crafts, game, Bible lessons, and music. Lots of Energy and Patience!

Needs: We need 2 or so female adult leaders (chaperons) and 1 or 2 more male leaders (besides pastor Gordon and pastor Micah). If you are interested in this, please contact pastor Micah.

Plan:

- To provide training to the team members for evangelizing youth; to learn Menominee Indian history and culture, and their original language; and a safety lesson.
- To canvas the particular neighborhood and contact those who attended VBS to invite them to the event (and to invite newcomers).
- To hold an event with neighborhood children encouraging them to follow Jesus and get connected with His Church; to involve the children in games, crafts and a meal; and give ample time to play/talk one on one with the children, in an effort to build a rapport with the children.
- To invite children to evening VBS held at Menomonee OPC Church.
- To assist Menomonee members as they do VBS.

Costs: The only significant costs involved will be for the team's food. We ask that each participant contribute \$100 to the needs of the team. If you are not able to pay, and your church is not able to help, please contact us directly.
